Greetings in Christian Love!

"Praise ye the LORD. O give thanks unto the LORD; for he is good: for his mercy endureth for ever."--**Psalm 106:1**

### **Announcements:**

1. Original 1944 *Shepherd's Rod* charts available for orders.

About 50 years ago and just a few years after the death of our beloved prophet, Bro. V. T. Houteff, Mt. Carmel Center was liquidated and given into the hands of the world. As a result the last original *Rod* tract literature and study charts were sold off or destroyed. Through the ensuing decades as the sheep have been scattered far and wide, God in His infinite wisdom and enduring mercy has preserved this precious material in a few places. For in such a time as this that, which at first seemed so impossible a few short years ago is now, as a dream come true, the restoration of all of the original *Rod* tract literature and Symbolic Codes to their original estate through the ministry of [upa7.org](http://upa7.org) for publication all around the world. After four years of hard labor day and night what seemed so impossible for the human mind to believe for just two laborers to accomplish, but by the help of God, brings us to the final chapter of these climaxing developments by happily announcing the availability of the complete set of original 1944 *Rod* study charts to all of Davidia. Truly our joy cometh in the morning to share this rewarding experience with you.

We thank God for the privilege to offer to all Present Truth believers the unprecedented opportunity to acquire a complete full size (24 in. x 30 in.) set of the original 1944 *Shepherd's Rod* study charts produced by Bro. Houteff himself. We at [upa7.org](http://upa7.org) have finally worked out the printing details and are now pleased to take orders for those who desire a set for their own use. For a preview of these masterpieces of perfect prophetic works of art, please follow either of the links listed below.

These charts will be printed on a top-of-the-line Epson Stylus Pro 7900 printer using a high quality Tyvek media which is very tear resistant and will not smudge or stain with water contact. There are none are quite like the originals produced at the hands of the prophet and hand painted by young Davidian artists under his supervision. The charts we are making available have been digitally restored to their pristine original state without the stains, marks, and fading that arose over many years of use. Now you can have a completely unique and priceless piece of Rod history for your very own.

Just as Bro. Houteff sold charts to support the cause, we are asking a donation of \$449.95/set of 18 originals so that the ministry of *upa7.org* may continue to search out and publish a multitude of rare and monumental historical documents related to the advance of the Rod message since 1930, many of which have never before been seen outside of their hidden locations. As we greatly need your support to accomplish these tasks, please consider a donation for a set not only for your own home or personal use, but another set or more for friends, family, or associates while they are available. Your donations will be greatly appreciated.

As we are rapidly approaching the final events in this earth's history with the glorious hope of the blessed kingdom just ahead of us, what better time to equip yourself with this divinely sent study aid to enter into the vineyard and labor for the Master as the fields are ripe for harvest, yet the laborers are few. As increasing troubles confront our great nations we may not be able to provide such an opportunity as this ever again so please place your order today while the door is still open.
